## Educating Children God's Way

©Joyce Herzog

Search the \_\_\_\_\_

Put God \_\_\_\_\_, second and \_\_\_\_\_.

\_\_\_\_\_ your children and \_\_\_\_\_ for them in their \_\_\_\_\_!

Teach them about \_\_\_\_\_ and \_\_\_\_\_ nature.

\_\_\_\_\_ the \_\_\_\_\_ where

\_\_\_\_\_ in your life can see it.

\_\_\_\_\_ add to their \_\_\_\_\_ ...

then tackle \_\_\_\_\_!

Strive for \_\_\_\_\_, \_\_\_\_\_,

favor with \_\_\_\_\_ and favor with \_\_\_\_\_...

Think about what you're \_\_\_\_\_ and \_\_\_\_\_...

and your \_\_\_\_\_ before your children!

Treat each child as \_\_\_\_\_

whenever and wherever you can.

One child may be ready to learn

to read at 4 and another not until 12.

Do not make them feel less of

ANYTHING if they are one of the

later learners!

Make time for \_\_\_\_\_ activities on \_\_\_\_\_ days..."

Stop to \_\_\_\_\_.

\_\_\_\_\_.

\_\_\_\_\_ what you see.

Find a \_\_\_\_\_ and

\_\_\_\_\_ it to your learners!

Do NOT focus so heavily on \_\_\_\_\_

that you lose sight of the \_\_\_\_\_!

Remember your children are \_\_\_\_\_;  
your family is \_\_\_\_\_.

You are not \_\_\_\_\_  
and neither are your \_\_\_\_\_...

But the \_\_\_\_\_ is your \_\_\_\_\_!

You MUST lean on \_\_\_\_\_  
by \_\_\_\_\_!
